

# RN AUTOMATION

*Your Professional Machine Repairman*

126B, Reddy Street, Korattur,  
Chennai-600098

## Company Brochure

### Who we are?

**RN Automation** has been known for an unparalleled commitment to customer satisfaction. It's this standard of excellence that has provided the impetus for us to

grow into the business we are today.

We believe that the customer always comes first and that means exceptional products and exceptional services. Get in touch today to learn about what we have to offer

*"RN AUTOMATION is proud to serve the industrial community. We're committed to not only providing quality products and services, but going above and beyond to ensure our customers are completely satisfied. We welcome you to look through our profile to see all we have to offer."*

## **Our Services**

RN AUTOMATION has earned its positive reputation because we go out of our way to provide truly exceptional service to each of our customers. We understand that you need something that can change at the last minute, and we're ready to adapt our service quickly to ensure success. So read on to learn more about what we can do for you.

### **Special Purpose Machine**

We take your specifications and make the design and concept using advanced design techniques. By manipulating the advanced techniques, risk analysis and design study shape the special purpose machine.

### **Retro-fitting**

RN Automation extends its support by retro-fit or remanufacture the machine for our customers, by decreasing the cycle-time, adding key features, extending its life and building up the machine performance.

### **Automation**

We want all our customers to experience the impressive level of professionalism when working with the RN Automation. All of our services, especially this one, exist to make life easier and stress free. You can trust us to supply with the best products, as well as top quality customer service.
